

Unleashed Power "Mindfailure"

Visit "[Mindfailure](#)" on MotoLyrics.com

Spectator of the matrix in the lens

Hence the view destructive and intense
Failure to apprehend

Failure to comprehend
A sight not to be seen by mankind

The kind of thing that overpowers the mind
Failure to apprehend

Failure to comprehend
Mind Failure

Mind Failure
Eruptive feelings explode

Logistic measures erode

Aggressive actions taken

A beast that has awoken
Who is it I am?

What is it I am?
Conflicts surely escalates

With intangible debates

Can't fathom reality

Nor my personality
Who is it I am?

What is it I am?
With stress building, struck dumbfound

On a verge of a nervous breakdown
Failure to apprehend

Failure to comprehend

Fail
