

Unleashed Power "The Envoy of Sophistry"

perpetual absurdity

festered by incredulity

unreasonable and closed minded

resolutions uninvited

thrive on inert disputation

revel in equivocation

reverberate the futile task

to discard the trothless mask
tantalized impetuous and tense

dereliction of benevolence

the omission of faith and facts

validity of everyday acts
the envoy of sophistry
dwelling in disappointment
and restrained by bewilderment

misinterpret sum and substance

progressing the mind's impotence
the envoy of sophistry
probing the anesthetic insight

respite to resolve or recite

committed into transgressions

no time for lasting impressions

never to achieve fruition

and transcend the limitation

a journey through a narrow path

to amplify anger and wrath
