

Unleashed Power "Thou shalt live"

Visit "[Thou shalt live](#)" on MotoLyrics.com

Searching deep within your heart
to find some real solutions
From the regrets one must depart
avoiding the disillusion
With all the things that will discourage
can one find the power of courage
To live with contradictions
yet there will always be hope
for faith will move the mountains
inducing the strength to cope
Are you really alive
Do you really live
Can you truly fight it
Where's the will to give
refusing, resisting the fiery temptations
Albeit the temptations lure
is the strength to resist so sure
and remaining doubt encroaches
consequently guilt reproaches
With all the things that will discourage
can one find the power of courage
To live with contradictions
yet there will always be hope
for faith will move the mountains
inducing the strength to cope
