On a day like this I want to crawl beneath a rock

A million miles from the world, the noise, the  
commotion

That never seems to stop

And on a day like this I want to run away from the  
routine

Run away from the daily grind that can suck the life

Right out of me

I know of only one place I can run to

I want to hide in You

The Way, the Life, the Truth

So I can disappear

And love is all there is to see

Coming out of me

And You become clear

As I disappear

I don't want to care about earthly things

Be caught up in all the lies that trick my eyes

They say it's all about me

I'm so tired of it being about me

I would rather be cast away

Separated from the human race

If I don't bring You glory

If I don't bring You glory

If I don't bring You glory
