Please leave me alone  
For I cannot let this go  
It's the lie [it's the lie]  
That I live [that I live]  
Everything [everything]  
That I give  
Shut the fuck up!

Please tell me I have grown  
For I have bruises left to show  
And I fall [and I fall]  
In between [in between]  
Everything [everything]  
Let me see

Come on, get up  
Let me see your bruises  
Come on, get up  
Let me see your bruises  
Come on, get up  
Let me see your bruises  
Come on, get up  
Let me see your bruises

'Cause I will never let you know  
[Never know, never know, never know]  
'Cause I will never let you go  
[Let me go, let me go, let me go]

Please leave me alone  
[PLEASE]  
Let me see, let me see, let me see...  
Let me see, let me see, let me see...  
Let me see, let me see

Come on, get up  
Let me see your bruises  
Come on, get up  
Let me see your bruises  
Come on, get up  
Let me see your bruises

Come on, get up  
Let me see your bruises.
