Hey man, want to try Wanna by that guy that I hate Hey man, want to front some shit Wanna claim your it And be insane

It?s not about you It?s all about me It?s not about you It?s all about...

Me

To find my own way To live through this day And watch all the stains Become like... Me Me To find my own way To live through this day And watch all the stains Become Na?ve

Hey man, want to take my place Want to walk in my place and cover me And Hey man, want to breathe my air Want to think it?s fair that you?ll never see

It?s not about you It?s all about me It?s not about you It?s all about...

Me

To find my own way To live through this day And watch all the stains Become like... Me

Me To find my own way To live through this day And watch all the stains Become Na?ve
