Hey man, want to try
Wanna be that guy that I hate
And hey man, want to front some shit
Want to claim you're it
And be insane

It's not about you
It's all about me
It's not about you
It's all about..

Me
To find my own way
To live through this day
And watch all the stains
Become like...

Me
To find my own way
To live through this day
And watch all the stains
Become Naive

Hey man, want to take my place
Want to walk in my place
And cover me
Yeah hey man, want to
Breathe my air
And think it's fair that
You'll never see

It's not about you
It's all about me

It's not about you
It's all about..

Me
To find my own way
To live through this day
And watch all the stains
Become like...
Me

To find my own way
To live through this day
And watch all the stains
Become Naive

Hey man, want to try
Wanna be that guy that I hate

It's not about you
It's all about me
It's not about you
It's all about..

Me
To find my own way
To live through this day
And watch all the stains
Become like...
Me
To find my own way
To live through this day
And watch all the stains
Become Naive
