All that you are
Is faithful and true
In justice, Your judgment is fair
All that we have is free love that You gave
It's mercy that brought us to here

The armies of heaven
Are riding behind You
Clothed in a linen
Washed whiter than snow

Crowned in Your glory,
You ride the white horse
With eyes like the forest in flames
True majesty's ways
It's your grace that endures
The King who remembers my name

Kingdoms may rise
Kingdoms may fall
The Word of the Lord will not change
The King that we serve is the Lord over all
Eternally age upon age

The armies of heaven
Are riding behind You
Clothed in a linen
Washed whiter than snow

Crowned in Your glory,
You ride the white horse
With eyes like the forest in flames
True majesty's ways
It's your grace that endures
The King who remembers
The King who remembers my name

All that you are
Is faithful and true
In justice, Your judgment is fair
All that we have is free love that You gave

It's mercy that brought us to here
