Chorus: lil ya

Try to use his nine but his nine wasn't workin  
Started bangin with his pump and the bitch started  
twerkin

Try to use his nine but his nine wasn't workin  
Started bangin with his pump and the bitch started  
twerkin

{lil ya}

I put you hos on the map with my dick  
Then I stuck my nine in them hos but I made em sick  
Now ya supposed to wonder what Im gonna do  
Well I got it on my mind lets try the pump throw away  
the nine

Chorus

{lil ya}

Im still tired of fuckin you bitches everyday  
I try to use my nine later on the a-k  
But you wasn't satisfied it wasn't good enough  
So ya tried to test my nuts to see if I was tough  
So I fucked you and fucked you and shot my hollow in  
you  
Watched you polished the chrome while I was drinkin  
an cold brew  
Freak you got life all wrong that's why messi your the  
first  
Bitch in my song

Chorus

{lil ya}

Heres another bitch named blacke  
You on the inmate pee because I fucked you with my  
two-twenty three  
It felt good to ya you wanted to do it again we can do it  
again  
So I tried the mack ten but the mack was to long for this  
ho

So I took it out had to load up the forty four  
She complain about the forty four sayin my gat to small  
Stuck the sweeper in her ass started sweatin like a dog  
Hahaha I guess my gat was to long an blacke you  
The second bitch in my song

Chorus

{lil ya}  
Lil ya is the type that don't give a shit  
My three favorite words are  
Doggin doggin doggin a bitch  
Who can I talk to about lance Im a kick  
It on takia because she down bad  
She rode a nigga dick sucked the shells of a pump  
Hit her with my glock and made the bitch jump  
She came to my house sayin she wanted to fuck  
Cheat her with my uzi she was stuck like chuck  
Ended up pregnant sayin the baby was mine  
I fucked you with my uzi you had an baby nine  
Took baby nine outside and threw em in the dump  
Two weeks passed I fucked that bitch with my pump  
The ho face resemble queen coat matin so that's  
Why takia ya the last bitch in my song

Chorus
