Verse one: {tec-9}

Still got a lot of dog bitches on my list
Who be fuckin for office and under cover suckin dicks
I rapped about em back in my first rhyme
Im a kick it once again because they still on my mind
Im kickin it on them hoes them dog ass hoes
Im kickin kickin kickin on them dog ass hoes
Well I guess I got to start with this bitch named nell
A dick suckin cross thrower sent straight from hell
Never liked her just fucked her
Claimed that I stuck her the cable man
Was puttin in time so it aint mine
A lot of bitches was waitin on my name
It aint no thang because Im gonna let me nuts hang
Next up is my baby mama a fuckin hood rat
Didn't use a rubber when I hit the cat
She love to just shake shake ride the dick
Now I wish I never meet her because she make me sick
But it aint no thang cuz Im gonna let me nuts hang
But aint no thang because Im gonna let my nuts hang

Chorus:

Just go ahead baby
Shake shake it baby
Twerk twerk that ass if you can't be faded
Go ahead baby
Shake shake it baby
Twerk twerk that ass if you can't be faded

Verse two: {lil ya}

Let me tell you about this hoe that
I almost forgot cuz she sucked a

Got her loaded hit that ass of the straight gin
She was down to fuck wasn't havin a drain
So I tricked her get out and left that hoe in pain
Now heres another bitch that I forgot about

Like a preener player I had to get them out
Her name was black and she was a fine bitch
Stole my watch out my house sucked a nigga dick
Still in high school with a gap in her teeth
Got to give it to you black you could
Beat a nigga meat oops almost forgot bout one more
Demetrice I fucked behind a liquor store
It was one newton night I was headed to the tail
But fuck that shit she didn't have no bail
Made her walk from the liquor store and jumped in my
ride
This stank hoe begged just to sit inside
I can't think of no more yella boy
You know you not a trick
So wont ya talk some more shit bout another bitch

Chorus: {3x}

Verse three: {yella boy}

I like to watch a p popper
Twist, shake, dance do it
If you got a big booty let me see ya shake it do it
Wait a minute what about teesha
She was a real dick pleaser
I tossed that hoe one night for a chucky cheese pizza
She was nasty like to fuck twenty four seven she's in

And when Im curious now she seem like ebanearer

Shakin it twerk it all around if you from the n. o. town
Fresh got em twerkin to that cah money sound
