When I was only 13

A girl oppend her legs for me

In that moment I realised

My mission here on Hearth

It was to fuck that girl

And leave by the time

She gave birth

Because I did not to raise

A child

Besides I did not love

This girl

I just forgot to put the condom

on my cock

Chorus

Ohh! please forgive my Jane

I did not know what to do

I just took a train

and left to LA

When I was in LA

I met a girl whose name

was Clairse

She used to allways

cause my feet smelled

like hell

But then she told

She hated me

And that she had fallen

with brother that leaves

in Brazil

Chorus 2

Ohh! my dear Jane

IÂ´m going back for you

This bitch broke with me

And I did not had a chance

to get laid
