DPGC, You know what I'm throwin' up

[Daz Dillinger]

Yeaaa!

Y'all niggaz know what time it is, yeah

You know we about to get stupid in this motherfucker!

Yeah, all my motherfuckin' gangsta's put your  
motherfuckin' hands in the air

Who's the nigga that you love to hate?

Don't debate, bust you - dead in your face

Hold up! Wait a minute as I get down and dirty with it

Smokin' my spinach, Dat Nigga Daz is a menace

And I'm finna get gangsta with it

I'm outta the cut with some shit that I wrote

With my Doghouse niggaz, so you know I must be  
dope but I..

Rat-tat-tat-tat that ass

What the fuck, Dat Nigga Daz won't stop

Til' I get the cash

I mash for the cars, and I'll bash your jaw

Blue and grey khakis with the All-Star's

Ten years of this gangsta shit

Bumpin' your system front and back and you know that  
it's crip

One nigga left the crew, somethin' we grew

To my monumental niggaz that draped in all blue

Greyed out, with the white trim Nike's

With my first cousin Bigg Snoop Dogg right behind me

Wanna die? Try me

With them AK twins drop like siamese

Get down to grindin', yo nigga, fuck signs

[Snoop Dogg]

Suge Knight is a fat bitch! HA HA

[Daz Dillinger]

I be the nigga with an all gat tucked in my drawers

Why nigga? Cause I'm down by law

D-O-double-G P-O-U-N-D, G-A-N-G-S-T-A C-R-I-P

Tell me what time it is cuh, ???? ???  
Showin' y'all ???? niggaz there's no love

this motherfucker  
Shit, I see my nigga Goldie Loc, what's up cuh!

[Goldie Loc]  
Still ridin', Eastsidin'  
Hittin' switches, slappin' bitches, makin' my riches  
Cold crippin', stay dippin', still rippin'  
Dippin' my cigarettes, fool I'm still trippin'  
Kick on back and ease your cool  
Cause everybody know that Daz and Goldie actin' fool  
Snoop in the Cadillac, rollin' up the whole sack  
I'm sitting in this motherfucker, holdin' on this mini-  
mack  
So say it ain't gangsta..  
You one of them Rollin' 21 five boys, nigga ain't ya?  
You got that right, now back your ass up here come

I'm from the land of notorious gangstas (Long Beach!)  
With a big "Eastside" always crip hard and stay anxious  
Spittin' the heat, movin' the street

[Daz Dillinger]  
Goldie Loc and D-A-Z, motherfucker!

[Chorus: Daz Dillinger]

[Daz Dillinger]  
I can't quit givin' you niggaz the blues  
Double barrell shotty knockin' them niggaz right out  
their shoes  
Solo's and crews  
I...cock the tool and rebuild the nigga whole frame and  
burnin' this fuse  
I wasn't born to lose  
I know your mind, your heart, your soul ain't what it  
seems to be  
When the cannon explode you and your boys is history  
I told the story of a lifetime, came back with the right  
rhyme

2003 yeah it's all mine  
So bow down and recognize to a boss  
I made the shit up nigga, so how you talk  
You better walk the walk before your ass get chalked  
See I stalk the street nigga day and dark  
I spark the flame, I'll leave you niggaz all ashamed  
With The Gang motherfucker we blast and maintain  
You on the wrong side of the set, motherfucker roll it  
up  
DPGC nigga, you know what I'm throwin' uuuuup!

Yeah! HA HA, you know what I'm throwin' uuuuup!  
DPGC nigga, you know what I'm throwin' uuuuup!  
And it just don't stop, Dogghoused the fuck out  
Like to say what's up to my cousin Bigg Snoop Dogg  
Goldie Loc, Tray Deee, my nigga Soopafly
