damn she bad
damn she thick
& i may not know perfect but damn she it & she thick &
she right
damn she nice
u can be my judge baby
yeah i'll do life
gimme life & i know dat u'll be dancin till yo toes hurt
but i can make yo toes curl
i can make yo soul jerk
we can soul search & i also got dat street credit
i got more work than any dude..you...knew
gurl i am a blood su-woop
i hear u want sumbody u can call boo
i will change my name 2 boo & fuck around & call u
now wut u wanna do
because wuteva dat maybe baby i wan do dat 2
& ooh i could g.p.s u wut u gone do
like a pair of wet & stickey vintleys girl im on u
ok ma da mood iz so rite lite
2 can take flight
my big bro t.i iz da king i am yout prince your nite rite
u dont need no supa man,u juz need a man like
weezy(baby)
& i could make u feel da same way
we can postpone & stay home like a rainday
she'll have da salad juz put her on wayne's plate
wut u know bout havim syrup poured on dat pancake
nasty as i wanna be or nasty as u like me 2 be
i hope u like me 2
but now u know i like u 2
3am room service serve ya
u can be my desert be my caramel sherbet
call ya mama we can make a baby
& da way u work dat kic n da video iz so(crazy)
& dat chair or stool move wuz coo
u make me wanna ohh
imma be coo i need a moment
i think u r da finest human on earth
we can get 2gether i can help u wit dat homework
take yo ass 2 skoo 2 woo
teach u all da rules u neva knew,we need a moment

i could be yo future,i could be yo teacha
be yo professor write down dis lecshore
u want sum extra credit,lemme check yo homework
i could be yo tutor & help u wit exams
no failin or its summer time 4 u
u got dem goodies & i gotta sweet tooth
now can yall blame me?
shit hov got v & i juz want cici
i juz wanna see if ur taller than me
no really i wan see if ur my mrs.carter 2 be
yeah i know dis iz preety okward 4 me
but i juz ack like u r talkin 2 me when u say

ciara sings:

ooohhh

i mean everything that i say
4rm the bottom of my heart
i will neva neva eva hurt u
i open my heart
open my heart

lil wayne cums back:

beleive dat

& i agree dat

open up yo heart 2 me & u wont get yo key back

ms.ciara u r colder than blue

& baby i aint talkin 2 nobody else but(youuuuuuuuuuu)
