I take the fast lane everywhere I go  
On the last train to where? I don't know  
I'm never looking back  
You know that that's a fact  
You know that I don't care  
I'll take on any dare

I cut my teeth to speedy rock 'n' roll  
It's a great feat to score the winning goal  
I am a hurricane  
You know that I'm insane  
Push me an you will see  
Your butt is where my foot will be

Let's go kick some ass  
Let's go raise some hell tonight  
Let's go kick some ass  
Do it 'cause it feels right  
Let's go raise some hell tonight  
Take me to a new height  
Let's go kick some ass  
Let's go raise some hell tonight  
Let's go kick some ass

I pitch a fastball or slam a line drive  
Don't take no pitfall the way I stay alive  
You know I'll make it plain  
You know I won't refrain  
Push me an you will see  
Your butt is where my foot will be

Let's go kick some ass  
Let's go raise some hell tonight  
Let's go kick some ass  
Do it 'cause it feels right  
Let's go raise some hell tonight  
Take me to a new height

Let's go kick some ass  
Let's go raise some hell tonight  
Let's go kick some ass

Do it 'cause it feels right  
Let's go kick some ass  
Let's go kick some ass  
Let's go kick some ass  
Let's go kick some ass
