"Paint It Black"

I see a red door and I want it painted black
No colors anymore, I want them to turn black
I see the girls go by dressed in their summer clothes
I have to turn my head until my darkness goes

I see a line of cars and they're all painted black
With flowers and my love will never to come back
I see people turn their heads and quickly look away
Like an easy babe, it just happens every day

I look inside myself and see my heart is black
I see my red door and I want it painted black
Maybe then I'll fade away and not have to face the
facts
It's not easy facing up when your whole world is black

No more will my green sea go turn a deeper blue
I could not foresee this thing happening to you
If I look hard enough into the setting sun
My love will laugh at me before the morning comes

I see a red door and I want it painted black
No colors anymore I want them to turn black
I see the girls go by dressed in their summer clothes
I have to turn my head until my darkness goes

I wanna see it painted, painted, painted black
See it painted, painted, painted black
See it painted, painted, painted black
