Ring bell, fighters in the ring  
Start match, begin the clobbering  
Drop kick, caught up in the rope  
Pin fall, for the man with no hope

Head butt, arm drag

Pro wrestling fight to win  
Pro wrestling be the champion

Choke slam, below the belt a knee  
Face lock, in steps the referee  
Bear hug, cross face chicken wing  
Monkey flip, gorilla press and fling

Toe hold, kick out

Pro wrestling fight to win  
Pro wrestling be the champion

Cage match, hell inside the cell  
Hard core, blood the tale will tell  
Choreographed, for the crowd appeal  
Screen play, the pain is truly real

Back drop, eye gauge  
Hip toss, kick out

Pro wrestling fight to win  
Pro wrestling be the champion
