Is this another love song? well it might just sound that way  
About some girl who dumped me and how I found my way  
Well this time it's different, because I'm not coming back  
I'm not sure I wanted another freaking (?) attack

Am I older enough to have fallen so many times  
Fallen for a girl like you before I let my life behind  
Why can't I just find a perfect girl  
The one I know who's meant for me and who I'd live with forever

It's an all or nothing game like Russian Roulette  
You pull the trigger, risk your life or sit back and relax  
All of my romances left with a bullet in their head  
It leaves a (?) (?) (?) it leaves a dreamer dead

Am I older enough to have fallen so many times  
Fallen for a girl like you before I let my life behind  
Why can't I just find a perfect girl  
The one I know who's meant for me and who I'd live with forever  
I'm falling, I'm falling, I'm falling, I'm falling, I'M  
FALLING I'M FALLING

Am I older enough to have fallen so many times  
Fallen for a girl like you before I let my life behind  
Why can't I just find a perfect girl  
The one I know who's meant for me and who I'd live with forever

Am I older enough to have fallen so many times  
Fallen for a girl like you before I let my life behind  
Why can't I just find a perfect girl  
The one I know who's meant for me and who I'd live with forever
