"If I Die"

Visit "[If I Die](#)" on MotoLyrics.com

If I died some time soon would you come to my funeral?
Would anyone be there?
If I needed some backup, would I be deserted?
Does anyone care?

Cuz? in these times
When I?m alone,
all I have to do is summon my memory,
of what I?ve got
and who they are
and then I wont feel lonely

Do I show up alone or someone comes with me
It?s really not that bad
But still I feel a tingling of whose gonna hurt me
I shouldn?t be scared

Cuz? in these times
when I?m alone,
all I have to do is summon my memories,
of what I?ve got
and who they are
and then I wont feel lonely
