I missed what she said  
Did I hear her wrong?  
I can't seem to have  
Anything last that long  
Or am I a jerk?  
With no sense of what  
Makes them warm up?

My life boils down to what I am  
Living my life for what I can,  
There I go again.

But maybe I'm gaining what I need.  
Ability to throw them aside,  
Keep it inside.

I'm writing again,  
And out of ideas.  
When I see her face,  
I'm filled up to here.  
But what do I get?  
I just let her pass.  
I just let her pass  
My life boils down to what I am  
Living my life for what I can,  
There I go again.

But maybe I'm gaining what I need.  
Ability to throw them aside,  
Keep it inside.

My life boils down to what I am  
Living my life for what I can,  
There I go again.

But maybe I'm gaining what I need.  
Ability to throw them aside,  
Keep it inside.
