Penned this one last  
Because it was the hardest  
Yet it meant the most to me  
At the same time  
Feelings are tough to explain  
When what i feel is bigger than any word  
That i can find

So i wrote you this song  
To tell you i love you  
But i know that that's  
Much less than you deserve  
Its also much less  
Than these feelings i'm feeling  
I hope that actions  
Speak louder than words

Call me whenever  
And i will come running  
I'm ready and waiting  
Forever for you  
I'll give you my whole heart  
To hold as your keepsake  
If you should ever need proof

Remembering the times  
That we've spent together  
I know how good it feels  
To be held in your arms  
I'm always so happy  
And filled up with laughter  
Whenever I'm with you  
I feel safe and warm
