Pin this one last
Because it was the hardest
Yet it meant the most to me at the same time
Feelings are tough to explain
When what I feel is bigger than any word that I can find

[chorus:]

So I wrote you this song
To tell you I love you
But I know that that's much less than you deserve
It's all so much less
Then these feelings I'm feeling
I hope my actions speak louder than words
Call me whenever, and I will come running
I'm ready and waiting for ever for you
I'll give you my whole heart
To hold as your keepsake
If you should ever need proof

Remembering the times that we spent together
I know how good it feels to be in your arms
Im always so happy and filled up with laughter
When ever I'm with you I feel safe and warm

[chorus]
