When I cant see you  
Your always near  
Back right pocket  
I keep you there  
Safely hidden  
For all those times  
When nothing else at all  
Can get me by

Billfold out  
Deep inside  
A botched I'd and credit cards  
I reach in to pull out  
A thousand words of photo art  
Wallet sized  
Never bent or ever torn up in the least  
I take good care of you  
You mean so much to me

Pictures of you and i  
They always make me smile  
Even at the worst of moments  
They're always what I seek  
When ever I get weak  
They keep my head up and my heart unbroken

Hair is flowing  
Eyes and a smile  
Jump off the paper  
And over a mile  
To bring you to me  
Almost for real  
No matter where I am  
Or how I feel

Billfold out  
Deep inside  
A botched I'd and credit cards  
I reach in to pull out  
A thousand words of photo art  
Wallet sized  
Never bent or ever torn up in the least

I take good care of you  
You mean so much to me

Pictures of you and i  
They always make me smile  
Even at the worst of moments  
They're always what I seek  
When ever I get weak  
They keep my head up and my heart unbroken

Its so hard spending time away  
Even short hours much less a day  
I might as well tear out my lungs  
Becuase we fit together  
Nobody knows me better  
Without you  
I'll come undone  
Undone

Pictures of you and i  
They always make me smile  
Even at the worst of moments  
They're always what I seek  
When ever I get weak  
They keep my head up and my heart unbroken  
My heart unbroken
