Regrets are my bedfellows
I'm feeling so alone
I've messed up my life palette
Now it's colored up with woes

Just two simple words
Have changed me to no end
Just two simple words
To quote you only friends

I miss your smile
When I'm sleeping all alone
I'm in our house
And you're not ever home
Changed residence
Stopped paying out the rent
And girl, oh, I miss your smile

When I drive by your house
It makes me wanna cry
Each time I see your face
It makes me wanna die

So why do I sit back
And look through picture books of you?
I guess, I'm just screwed up
And that's all I can do

I miss your smile
When I'm sleeping all alone
I'm in our house
And you're not ever home
Changed residence
Stopped paying out the rent
And girl, I miss your smile

I miss your smile
When I'm sleeping all alone
I'm in our house
And you're not ever home
Changed residence
Stopped paying out the rent

And girl, I miss your smile

I miss your smile

I miss your smile

Oh, I miss your smile

I miss your smile
