Sink your teeth into me please
Cause wouldn't that be easier
than how you're going about it now
Cause I know you're trying hard
to stab me in the back but
Silence doesn't work as cover
when you're found out

used to be i knew you closely
or was i mistaken only
moved by this long friendship
though which i though we'd embark
But reflection is so pointless
when our bridge is burning bright
So i'll chisel your epitaph tonight

Turncoat sinks me down
and everybody knows it
Turncoat sinks me down
and no one sheds a tear, tear, tear

At first i refuse to believe
I said there was no way
that words so cruel could ever come from you
But you lost the benifit of doubt
and now i could care less
which agony or fire, you're thrown to

Most times enimies last longer
than good friendships cause theyre stronger
Never phased by time or distance
hate will carry on
So accept delivery of my worst fear
reguard to read it twice
I hope they scar your heart cold black for life

Turncoat sinks me down
and everybody knows it
Turncoat sinks me down
and no one sheds a tear, tear, tear

Turncoat sinks me down

and everybody knows it
Turncoat sinks me down
and no one sheds a tear
sheds a tear
