[Marvin Gaye]

Just like music..

This is Marvin Gaye

I'd like to wish you all the uh, best

Uh love each other, peace be with you

Umm - I sure do hope you uh like this music

God bless you all

[Erick Sermon]

Peace to Keith Murray

[Keith Murray] + (Marvin Gaye)

Must be the MU-SIC, that got me in a zone

Step until your bones make you lose control

Take hold of your mind body and your soul

Soul.. (hahhh baby, wooooo - just like music)

As I do ya, who ya

Run right through ya, like I never knew ya, ooh

Stick to your ribs like grits

I get better with time with this shit (just like music)

Aww man, make you feel so good

I rain through your neighborhood, like a sunshower

Shine light in the darkest hour

Give the weakest man the most power (just like music)

So harmonious and sacred

Without this, I don't think the world would ever make it

When negativity come my way, that thing bang

How it sound Marvin? (just like music)

[Chorus: Marvin Gaye]

(\*repeat 16X: "Music" - Erick Sermon\*)

Music baby, I don't worry bout a thing

Ahhhhh turn on your music, see my happiness beam

.. just like music

[Redman]

Yo, yo, yo dogg

How you doin? I bent my back Lex tire movin

on the hood streets, hood beats, drippin down jewelry

I'm outside where the crooks meet

But God don't give me shook feet (just like music)

Yeah, untrained untamed guerilla  
I'm the one to blame when the earth start goin  
(insaaaaaaaaaaaaane, aww baby)  
.. shake it, shake it shake it .. (woo, music)  
Yo, I can't get in the club, so what?  
I got a hot dame, bout to make the drawers  
(fall like raaaaaaaaaaaain - all over yo' head)  
(awww baby, music)  
To my deputies, call me Boss Hog  
When I smoke sticky, I'm able to walk walls  
And I won't fall, only thing my car stalls  
But I'm in the hood nigga (just like music)

[Chorus: Marvin Gaye]  
(\*repeat 16X: "Music" - Erick Sermon\*)  
Music baby, I don't worry bout a thing  
Ahhhhh turn on your music, see my happiness beam
