Kill me now or never  
Kill me now, kill me now  
This is more than I ever had  
Kill me now, kill me now

I wanna keep it when I'm dead  
This is devotion not surrender  
Kill me now, kill me now  
I beg you to play the offender  
Kill me now, kill me now

Kill me now or never

She says I'm down here on my knees  
So I'm begging you please  
Kill me now or never  
Now or never  
Now or never

She says I want to feel the end  
Let me die and hold my hand  
Kill me now or never  
Now or never  
Now or never

Kill me now or never  
Kill me now or never  
Now or never  
Now or never

Give an eye for an eye  
Kill me now, kill me now  
I know that God's salvation is a lie  
Kill me now, kill me now  
I want you to be my saviour  
Kill me now, kill me now  
This is devotion not surrender

Kill me now, kill me now

Kill me now or never

She says I'm down here on my knees

So I'm begging you please

Kill me now or never

Now or never

Now or never

She says I want to feel the end

Let me die and hold my hand

Kill me now or never

Now or never

Now or never

Kill me now or never

Kill me now or never

Now or never

Now or never

I wanna feel that search forever

This life ain't getting better

She says I want to feel the end

Let me die and hold my hand

Kill me now or never

Kill me now or never

Now or never

Now or never

She says I won't give in to fate

Look at me I'm not afraid

Kill me now or never

Now or never

Now or never

Kill me now or never

Kill me now or never
