(J talking)

"Then they wanted to know if I would trade 10 Juggalos  
for a hundred mainstream fans?" And I said "I wouldn't  
trade

10 Juggalos for a hundred thousand mainstream fans,  
10 Juggalos is priceless."

(Blaze Ya Dead Homie)

I gots love for my homies, members of the Lotus  
United we stand, squashing all deadly forces  
Been to Hell, could'a spent eternity there  
All the bad shit I done, I should still be there  
Juggalos can ya feel me? world-wide! (world-wide)  
Runnin' wit' a hatchet straight out the Lotus Pod  
Always got your back, 'til the end, screaming Juggalos  
Dark Lotus, Psychopathic thats the way it go

(Monoxide Child)

So many people in the matrix die alone, hey  
Not me, my soul belongs to Juggalos, they  
Keep me going when I'm, down and out  
I pick the phone up, drop'em a line, and hear'em shout  
Sayin' Twiztid is the shit and I'm down with the clown  
Dark Lotus for life, until I'm dead in the ground  
I give a depth to all my homies and killas who get it  
started  
All my Juggalos always represent for the departed

[Chorus: repeat 2X]

Mass murder makes me happy!  
Dead bodies make me happy!  
Say what you will of me  
I'll always have Juggalo Family!

(Shaggy 2Dope)

6 individual pedals formed from one stem  
They try to ride the wave, and don't follow any trends  
(no trends)  
'Cause we ascend from the dirt filth grit & grime  
Make a bind, Juggalo minds to crush matrix shines  
Whats your is mine and whats mines is yours

Let the wagons of the Dark Carnival show you different  
worlds  
Any hoes front on Juggalos or the Hatchet  
Tell'em come suck on your dick, we Psychopathic

(Jamie Madrox)

All my life i've been livin' it all alone  
I'm like a king wit' no people and no crown or a throne  
And what I'm speakin' on, is what I'm feeling like  
Do you know what its like to feel the warmth of the  
sunlight  
I'd really like to know 'cause i've been chillin' in the  
dark  
For so many years that I question love in my heart  
I hate everyone and I hate everything  
Except for all the Juggalos and all the love that they  
bring! (I love y'all)

[Chorus]

(Marz)

Let me get your ear, I'm make myself clear  
Its the L Family, Juggalos ride chair  
you could take away my mic, you could take away this  
life  
But the love that we got, it aint never gonna stop  
We eternal, passed the surfeit bullshit (whoo!)  
Dogs on another level, can you feel this?  
Its Twiztid, Blaze, and ICP  
And if you fuckin' wit' my dawgs, boy you D-I-E

(Violent J)

If it wasn't for Shaggy, my shirt would still be baggy  
I wouldn't be fat, i'd still be hungary and crabby  
We used to buy our own records at the stores  
So they would think it was a hot seller, and all the more  
But we built a team of killers with the same dream  
We couldn't reach the top, we stayed B-level like  
Charlie Sheen  
Finally realized, we'll always have the Juggalos  
I'll never give another second to them other hoes!

[Chorus]
