[Chorus: repeat 2X]

Everybody love me (NO)  
Mom and Daddy love me (NO)  
All my neighbors love me (nope)  
Someone gotta love me (NOOO)  
Everybody love me (NO)  
Mom and Daddy love me (NO)  
Anybody that has heard of me  
I know they love me (NOOO)

(Monoxide Child)

Everybody treats me like uh...I'm the anti-christ  
They wanna kill my momma for givin' me the life  
I'm out my tree yhey say I walk a different way  
Get on your knees and pray Lotus is your judgment day  
I like to hang with the hookers and wine-os  
And let them give me tats with they heroin needles  
what?  
I love to kiss on the bitches with bad breath  
And choke her by the neck while I just fuck her to death

(Shaggy 2Dope)

Now tell me Do you love me? Or do you love me not?  
Nahh?  
Well kiss my ass the red eye marks the spot  
Tell me how ya be behind my back and always hate  
To my face be straight 'bout to make me catch a  
murder case  
Tell me what make your brain tick? what the fuck  
To even find the lotus clique well ya gotta look  
But you can't see us with tri-focal heat specs  
Matter of fact muther fuck you and my rep

[Chorus]

(Violent J)

Come over here I wanna tell you a story, it's an ugly  
one  
It's about neden, and how I can't get none  
I could have cocaine cum with a crack pipe dick  
And I couldn't get a basehead to buff my shit

Speakin' of crackheads I am a crackhead  
I mean I don't smoke but I gotta crack in my head  
My daddy used to slap my face around with a brick  
Until finally the back of my cranium split  
I took my shoelace off and sewed it back shut  
I wear this goofy wig now to hide the cut look!  
Nobody loves me i'll be quick to admit it  
My momma says she loves me but she won't let me hit  
it i'm kiddin'  
Then you got my brothers, they call me mental case  
They beat me up and put they cigarettes out on my  
face  
AAAAUGH!! My head throbs  
I'm about to enroll in Columbine and finish the fucking  
job  
POP POP POP POP!!

[Chorus]

"Hi Kelly. It's me, J. Listen  
I know you don't like me callin' you and stuff but  
fuck you, you know, I mean, gimme a chance.  
I'm not that stale. I mean, just because..."

(Blaze Ya Dead Homie)  
Terrible thoughts run through my mind causin' my  
head to fill with anger  
Anybody I don't know I wanna strangle  
Does it make me such a bad guy?  
Y'all like live bitches I like the dead kind  
Hang with killas creep like phantoms in the darkness  
And even though we like to murder we ain't heartless  
Can't help it I got a bad reputation  
For devastation, all out panic, for decapitation

(Jamie Madrox)  
Don't nobody love ya, don't nobody care  
They'd rather sit and stare and make fun of my hair  
I'm a killa, i'm a devil, i'm a punk, i'm a traitor  
My momma hate my guts but I could never ever hate  
her  
And this bitch I used to fuck say my dick to small  
She wasn't sayin' that when she took it all in the jaw  
And all my dawgs and my true friends think I'm insane  
They say "Jamie doesn't rationalize or talk in normal  
ways"

[Chorus]

"Just give me a chance and call me back.  
Ya know, just give me 5 minutes. Just gimme 5 fuckin'

minutes.

Just quit suckin' dicks like a fucking cunt bitch and call me back.

I'm askin' for a second chance. Everything I do is always my fault.

You're such a fuckin' slutty fuckin' WHORE. CALL ME BACK, BITCH!"
