"HATE S3X" (HATE SEX)

Is this hell, must be cause I'm deceived
Never knew 'bout the beast inside of me
Did I really do it intentionally
Let you built that wall that imprisoned me

I can't live without it, so don't dare to ever let me be
No way I'm letting you go

You made me hate sex
Coz I think of it all the time
You made me hate sex
Now, I can't sleep at night
You made me hate sex
Coz you leave me unsatisfied

Oh, oh, oh
You made me hate sex
Oh, oh, oh
You made me hate sex

So frustrated every time you leave
Can't control it, I'm craving constantly
I don't know what you do to me
I can't breath unless you're injecting me

I can't live without it, so don't dare to ever let me be
No way I'm letting you go

You made me hate sex
Coz I think of it all the time
You made me hate sex
Now, I can't sleep at night
You made me hate sex
Coz you leave me unsatisfied

Oh, oh, oh
You made me hate sex
Oh, oh, oh
You made me hate sex

I'm dazzled, I'm drifted, my wounds are self-inflicted
I need revenge for what I've done to myself
You better, surrender, no way I love you tender
You have to pay for what you've done to yourself

I'm so addicted, I'm a slave for you

You made me hate sex
Coz I think of it all the time
You made me hate sex
Now, I can't sleep at night
You made me hate sex
Coz you leave me unsatisfied

I'm so addicted, addicted, addicted

You made me hate sex
Coz I think of it all the time
You made me hate sex
Now, I can't sleep at night
You made me hate sex
Coz you leave me unsatisfied

Oh, oh, oh
You made me hate sex
Oh, oh, oh
You made me hate sex
