My brains in my pocket
Think I need some glue
Some more like you
Shadows in my closet
Creeping after me
They warn me

I close my eyes and I pray that I'm lifted
I'm wounded
When life goes by, eyes in darkness surrounds me
Reminds me, of me

Fame never goes your way
Pain never goes away
Say I'll be here tomorrow
For today

Falling from my pocket
Breaking at my roots
I'm sorry
Demons at my backbone
Creeping after loved ones
They hurt me

I close my eyes and I pray, but I'm grounded
God can't save me
When I close my eyes in darkness surrounds me
Reminds me, of me

Fame never goes your way
Pain never goes away
Say I'll be here tomorrow
For today

For today
Beauty and the beast

I'm a mother
I'm a father
I could never keep it straight
Like the poison

Light the fire
Music bled from me

Fame never goes away
Pain never goes away
Say I'll be here tomorrow
Beauty and the beast
