[Nelly]

Uh, uh-uh-uh

Uh, uh-uh-uh

Uh, uh-uh-uh

[Chorus: Nelly]

Cause it's all in my head

I think about it over and over again

And I can't keep picturin you with him

And it hurts so bad... yeah

Cause it's all in my head

I think about it over and over again

I replay it over and over again

And I can't take it, I can't shake it no

[Nelly]

I can't wait to see you

Wanna see if you still got that look in your eye

That one you had for me

Before, we, said our goodbyes

And it's a shame that we

Gotta spend our time bein mad about the same things

(Over and over again) about the same thing

(Over and over again)

Ho.. but I think, she's leavin

Aw, man, she's leavin

And, I don't know what else to do

[Tim M] I can't go on not lovin you

[Chorus]

[Nelly]

I remember the day you left

I remember the last breath you took right in front of me

When you said that you would leave

I was too damn stubborn to try to stop you or say
anything

But I see clearly now

And this choice I made keeps playin in my head

(Over and over again) play in my head

(Over and over again)
Ho.. but I think, she's leavin
Aw, man, she's leavin
And, I don't know what else to do

[Tim M] I can't go on not lovin you

[Chorus]

[Nelly]
Now, that I've real-izzzed
That I'mmmm goin dow-hown
From all this pain you've put me through

[Tim M]
Everytime I close my eyes (woo!)
I-hiiii lock it dowww-wn, ohh-hooo
I can't go on not lovin you

[Chorus] - repeat 2X

[Nelly]
Uh, uh-uh-uh
Uh, uh-uh-uh
Uh, uh-uh-uh
Uh, uh-uh-uh
Uh, uh-uh-uh
Uh... over and over again, over and over again

Cause it's all in my head
