

## Until June "All I Have"

Visit "[All I Have](#)" on [MotoLyrics.com](https://MotoLyrics.com)

I know that it feels like summer  
But it's fall I have  
The dark fades and my heart starts beating  
When the sun comes out

And I wanna say that I can't explain  
And so I tried and so I tried  
And so I tried and so I tried, oh, oh

I know, I'm frail or broken  
You are all I have  
You move me in ways I've needed  
Like no one can

And I wanna say that I can't explain  
And so I tried and so I tried  
And so I tried and so I tried, oh, oh, oh

And I wanna know why  
And so I tried and so I tried  
And so I tried and so I tried  
And so I tried and so I tried  
And so I tried and so I tried, oh, oh
