Eternity - A gift I no longer want.  
Forever - I can't go on with these endless nights.  
My sanity has been stripped away.  
Everything is beauty, and I have no love to share.  
Silent tomorrow, I want to live my life once more.  
Visions of grandeur, I want to taste the void extreme.  
Each time I close my eyes, I only wish for my end to  
come.  
No angels sing for me, and the light of my life dims  
away.  
Silent tomorrow, I want to live my life once more.  
Visions of grandeur, I want to taste the void extreme.  
Destiny awaits me, I cannot carry on this way.  
Coward of the dream,  
In silence I will rest my eyes.  
Crippled by fear, the sights I see.  
No means to this end.  
This is my only way.  
Silent tomorrow, I want to live my life once more.  
Visions of grandeur, I want to taste the void extreme.  
Destiny awaits me, I cannot carry on this way.  
Coward of the dream,  
In silence I will rest my eyes.
