I, I, I don't mind if you leave me behind

I will follow, I will follow

You, you, you can only see how happy you make me

With all the love you give to me

'Cause I wanna be in your life

And I wanna be by your side

And I'll take on your world

Beyond tomorrow, beyond tomorrow

'Cause we can be deeper than the sea

And we can be together, you and me

Where, where, where do you go

When the laughter is gone

Do you lay low? Do you lay low?

'Cause I wanna be in your life

And I wanna be by your side

And I'll take on your world

Beyond tomorrow, beyond tomorrow

'Cause we can be deeper than the sea

'Cause we can be together, you and me

Why, why, why miss the chance

To be in my arms forever

You know I'll be there

You know I'll be there

'Cause I wanna be in your life

And I wanna be by your side

And I'll take on your world

Beyond tomorrow, beyond tomorrow

'Cause we can be deeper than the sea

And we can be together, you and me

I, I, I don't mind if you leave me behind

I will follow, I will follow, I will follow

I will follow, I will follow, I will follow

I will follow, I will follow, I will follow, I will follow
