Nothing to hide
I like to cry
I even tell the truth sometimes
I lie to make myself feel better
I do I don't
I will I won't
Was all I said to sooth my fears
I hope today will bring nice weather

Check the mail
A sign for sale
Across the street a broken nail got hammered
The punch was overrated
I washed your clothes
I made a home
It's where the heart is all along
And I'll be back before I'm gone

Chorus
Crazy crazy for giving it all to you
Thankyou for the waste of time
And the mess you put me through
Crazy crazy I'm finally over blue
Keep you're sorry's and your lies
I'm gonna win you'll loose

I'm finally joyed to forget the boy
Who gave me trust
I knew I had to break the heart to be happy
Headed south
Washed you out of my mouth
Your kisses I can do without
Your words, the hand you laid upon me

Chorus
Crazy crazy for giving it all to you
Thankyou for the waste of time
And the mess you put me through
Crazy crazy I'm finally over blue
Keep you're sorry's and your lies
I'm gonna win you'll loose

I remember the way you'd never
Wasn't the times together
All the nights you held and pushed me down in
Out into open water there is once a bitter sweet

Crazy crazy for giving it all to you
Thankyou for the waste of time
And the mess you put me through
Crazy crazy I'm finally over blue
Keep you're sorry's and your lies
I'm gonna win you'll loose

I'm finally over blue
Yeah yeah

I win you loose (x 4)

Im' finally over blue

I win you loose (x 4)
