I've got a history of leavin'
Rumour has it I've been known for cheatin'
Are you scared
Well I don't care
You seem like a nice guy
Probably raised right
Baby save yourself

Cos' your only a man
Better leave while you can

Cos' nothin' I do lasts forever
I should have told you last November
Comes a time to late to cry for help
Baby save yourself

La la

You can take a punch I'll give you credit
But if your pride can't take no more
Honey don't sweat it
Can it hurt (hurt)
Any worse (any worse)
You seem a little desperate
Holdin' your last breath
Baby save yourself

Cos' your only a man
Better leave while you can
Cos' nothin' I do lasts forever
I should have told you last November
Comes a time to late to cry for help
Baby save yourself

Whoo

La la

Oh Yeah

Instrumental

Cos' your only a man
Better leave while you can
Cos' nothin' I do lasts forever
I should have told you last November
Comes a time to late to cry for help
Baby save yourself

Oh odds are we wont be together
Or even make it till September
Can't you just go find somebody else
Baby save yourself

LaLa

Baby save yourself
Oh

Instrumental end
