Love me in the morning,
Love me like you need me,
I hear you call and your never gonna leave me.
Loving you is easy,
Never gonna say goodbye.

Love me in the evening,
Hold me till i'm sleeping,
I know your with me,
I hear you breathin',
Yeah I'm gonna love,
Yeah I'm gonna love you right.

Rainfalls louder, snow falls down,
colours brighter when you're around,
Cause there's no shotgun hanging around my door
tonight.
With you I'm safe here till' the morning light.

Love me in the morning,
Love me like you need me,
I hear you call and your never gonna leave me.
Loving you is easy,
Never gonna say goodbye.

Love me in the evening,
Hold me till i'm sleeping,
I know your with me,
I hear you breathin',
Yeah I'm gonna love,
Yeah I'm gonna love you right.

Whispers softly, take my hand,
Hold me closer, right till the end,
Cause there's no shotgun hanging around my door
tonight.
With you i'm safe here till the morning light.
