[Slick Shoes Cover]

Looking into your eyes i see all i want to be i don't want
it to end if i could only put to words the way i see you i
only know i have an angel with me now and when i fall
asleep you're all that i see you're in my thoughts and
all of my prayers i wish i could be all that you mean to
me my angel without wings my angel i wish you could
see all that you mean me but i can never find the words
to tell you and when i fall asleep you're all that i see
you're in my thoughts and all of my prayers i wish i
could be all that you mean to me and when i fall asleep
you're all that i see you're in my thoughts and all of my
prayers i wish i could be all that you mean to me my
angel without wings
