"looking into your eyes
i see all i want to be
and i don't want it to end
if i could only put to words the way
i see you
i only know i have an angel with me now

and when i fall asleep
you're all that i see
you're in my thoughts
and all of my prayers
i wish i could be
all that you mean to me

my angel without wings
my angel

i wish you could see
all that you mean to me
but i can never find the words
to tell you

and when i fall asleep
you're all that i see
you're in my thoughts
and all of my prayers
i wish i could be
all that you mean to me
and when i fall asleep
you're all that i see
you're in my thoughts
and all of my prayers
i wish i could be
all that you mean to me
my angel without wings"
