Yeah, alright

I met this girl out of this world
This girl's what dreams are made of
Don't push or shove now, oh yeah

She's like a rollercoaster
Hold your holster, she's not breaking down
And I'm goin' 'round and she said

If the world shattered
Nothing mattered, yeah
Oh baby, I'm coming home

Yeah, if the world shattered
Nothing mattered, yeah
Oh baby, baby, come on
Oh, yeah

I tripped and breakdown
There's no slipped, I head into my drink now
Open and swallow, oh yeah

I started drinking
Thinking that I'm not that far from breaking down
And I'm goin' down 'cause she said

If the world shattered
Nothing mattered, yeah
Oh baby, I'm coming home

Yeah, if the world shattered
Nothing mattered, yeah
Oh baby, baby, come on

Yeah
Oh baby, baby, come on
Alright

Yeah, oh baby, baby, come on
Yeah, yeah yeah
Alright, yeah, [Incomprehensible]

And if the world should shatter
Crack apart and split tomorrow
Open and swallow, oh yeah

Yeah, oh baby, baby, come on
Yeah, oh baby, baby, come on
Oh yeah, alright
