I heard you were concerned you with my life

I heard you had a lot to say (Motherfuckin' thanks for nothing)

I'm gonna do it if it feels right

I'm gonna do it anyway (Motherfuckin' thanks for nothing)

Well I'm saying

Don't say I'm not alright

I'm used and confused and

I'm still putting up a good fight

I'm still putting up a good

F.I.G.H.T... fight, fight, fight

F.I.G.H.T... fight, fight, fight

Everybody thinks they know my problems

Everybody knows what's best for me (Motherfuckin' thanks for nothing)

Don't think what anyone can solve them

Don't think there's anyone but me (Motherfuckin' thanks for nothing)

Well I'm saying

Don't say I'm not alright

I'm used and confused and

I'm still putting up a good fight

I'm still putting up a good  
Don't say I'm not alright  
I'm used and confused and  
I'm still putting up a good fight  
I'm still putting up a good  
F.I.G.H.T .. fight, fight, fight  
F.I.G.H.T .. fight, fight, fight  
fight, fight  
fight, fight  
fight, fight  
Woah Oh oh  
Don't say I'm not alright  
I'm used and confused and  
I'm still putting up a good fight  
I'm still putting up a good  
Don't say I'm not alright  
I'm used and confused and  
I'm still putting up a good fight  
I'm still putting up a good
