With the heartbreak open  
So much you can't hide  
Put on a little makeup, makeup  
Make sure they get your good side, good side  
If the words unspoken get stuck in your throat  
Send a treasure token, token  
Write it on a pound note, pound note  
Goody two, goody two  
Goody, goody two shoes  
Goody two, goody two  
Goody, goody two shoes  
You don't drink, don't smoke  
What do you do?  
You don't drink, don't smoke  
What do you do?  
The subtle innuendos follow  
There must be something inside  
We don't follow fashion  
Now you know that would be a joke  
You know we're gonna set them, set them  
So ev'ryone can take note, take note  
When I saw you kneeling  
Crying words that you mean  
Opening the eyeballs, eyeballs  
Pretending that you're Al Green, Al Green  
Goody two, goody two  
Goody, goody two shoes  
Goody two, goody two  
Goody, goody two shoes  
You don't drink, don't smoke  
What do you do?  
You don't drink, don't smoke  
What do you do?  
The subtle innuendos follow  
There must be something inside  
No one's gonna tell me  
What's wrong and what's right  
Or tell me who to eat with, sleep with  
Or foul up on the big fight, big fight  
Look out or they will tell you you're a superstar  
Two weeks and you're an all time legend  
I think the games have gone much too far

If the words unwritten get stuck in your throat  
Send a treasure token, token  
Write it on a pound note, pound note  
Don't drink, don't smoke  
What do you do  
You don't drink, don't smoke  
What do you do  
The subtle innuendos follow  
There must be something inside
