well it seemed like yesterday  
when the world was looking dark, it felt so cold and  
gray.  
and why the hell am i even here?  
whats the purpose?  
all i feel is guilt and hate and fear.

ohhh. yea yea yea. ohhh

till that day you came along  
my heart was empty like the soul was missing from a  
song  
and i thought i'd loved a few  
yea, but no one ever made me feel the way that you do.

and hey little girl look what you do  
oh i love you  
hey little girl i love you

well i know im not always right  
and girl it breaks my heart when iiii have to see you cry  
so many things i wanna say  
yea. now i know that your the reason im here today.

whenever your here just stay near  
we'll be alright. yea alright.

hey little girl look what you do  
oh i love you.  
hey little girl look what you do  
and you do...  
when all my love starts running thin  
i got you my own Cailin.

hey little girl oh i love you.

i love you. yeah. hit me.

yeah. ill be alright.  
but i, i need you close.  
please stay tonight

as long as your here just stay near  
we'll be alright. yea alright.

hey little girl look what you do  
oh i love you  
hey little girl look what you do  
i love you

and when all my love starts running thin  
i got you my own Cailin.  
hey little girl who i love  
hey little girl who i love  
hey little girl oh i love you.
