Walk along these lonely streets
With these shoes upon my feet
Yeah
Familiar faces appear
Only when I go to sleep

But I don't go there
And I don't know where
Where I am
And I'm so scared
Yeah

And I wanna fall asleep
Cos I know that's where we'll meet
But I'll sit and wonder why
I'm alone again tonight
Let's go there
Outta sight

Hey hey Jodi
Won't you take me away?
Away

The clock ticks slowly away
As the night falls on the day
Oh yea
I haven't felt you in weeks

It's like I'm lost in outer space
And I stay out there
And I don't know where
Where I am
And I'm so scared
Yeah
And I wanna fall asleep
Cos I know that's where we'll meet
But I sit here wonder why
I'm alone again tonight
Let's go there
Outta sight

Hey hey Jodi

Won't you take me away?
Away

Hey hey Jodi
Won't you take me away?
Hey hey

And I wanna fall asleep yeah
Cos I know that's where we'll meet
But I sit and wonder why
I'm alone again tonight
Let's go there
Out of sight

Hey hey Jodi
Won't you take me away?
Hey hey
Hey hey Jodi
Won't you take me away?
