looking into your eyes  
i see all i want to be  
i don't want it to end  
if i could only put to words the way  
i see you  
i only know i have an angel with me now

and when i fall asleep  
you're all that i see  
you're in my thoughts  
and all of my prayers  
i wish i could be  
all that you mean to me

my angel without wings  
my angel

i wish you could see  
all that you mean to me  
but i can never find the words  
to tell you  
and when i fall asleep  
you're all that i see  
you're in my thoughts  
and all of my prayers  
i wish i could be  
all that you mean to me  
and when i fall asleep  
you're all that i see  
you're in my thoughts  
and all of my prayers  
i wish i could be  
all that you mean to me  
my angel without wings
