Am I the only one that feels alone, though all is home?  
Emotions flow  
Am I the only one that hears the tears run down my  
face?  
Would anybody recognize at all?

'Cause I know I'm so slow  
But I'm tryin and I'm still dyin to know  
Say you won't leave for the rest of my

Life's the only thing that deals the pain like pouring rain  
down  
Breeding hate  
And I don't wanna do no wrong my God, it's been so  
long  
Please comfort me before I go insane

'Cause I know I'm so slow  
But I'm tryin and I'm still dyin to know  
Say you won't leave for the rest of my life

I know I'm so slow  
But I'm trying and I'm still dying to know  
Say you won't leave for the rest of my life  
Rest of my life

I'm so slow but I'm tryin and I'm still dyin to know  
Say you won't leave for the rest of my  
I can't have you leave for the rest of my  
Say you won't leave for the rest of my life
