Had a bad day, don't talk to me,
gonna ride this out,
My little black heart, breaks apart,
with your big mouth.

And I'm sick of my sickness
Don't touch me, you'll get this.
I'm useless, lazy, perverted,
and you hate me.

You can't save me,
You can't change me,
Well I'm waiting for my wakeup call,
And everything, everything's my fault.

Went to the doctor, and I asked her,
to make this stop. (whoa)
Got medication, a new addiction,
Fucking thanks a lot.

I had a relapse, got out of rehab
ruined everything. (whoa)
So point your finger, at the singer,
He's in the pharmacy.

You can't save me,
You can't change me,
Well I'm waiting for my wake up call,
and everything's my fault.

You can't save me,
You can't blame me,
Well I'm waiting here to take a fall,
and everything, everything's my fault.
And I'm a dead wreck haven't slept yet,
Baby why the wake up call
I'm the bad boy tell the tabloids
everything's my fault.

Whoa whoa whoa yeah, write it write it,
Whoa Whoa whoa everything's my fault,
everything's my fault.

I went to heaven, but couldn't get in,
For what I have done.
I said please take me, they said you're crazy
you had too much fun.

You can't save me,
You can't change me,
Well I'm waiting for my wake up call,
and everything's my fault.

You can't save me,
You can't blame me,
Well I'm waiting here to take a fall,
and everything, everything's my fault.

You can't save me,
You can't change me,
You can't save me,
You can't change me,
You can't save me,
You can't change me, (everything's my fault)
You can't save me,
You can't change me,

Everything's my fault.
