Father I've sinned over and over and over and over
again
Sorry my friends I'm such a mess, I'm doing the best I
can

She says, "Where you goin', where you been?"
She says, "I don't want you hanging out with them"
She leaves like she's never coming back again on and
on
It goes on and on yeah

She says, "I don't love you like I loved you before"
She says, she says, "I don't love you anymore"

And mother I've tried over and over and over to open
my eyes
Look at my life, tell me when did I die 'cause I'm not
alive

Flip through the script and tell me what it says
Skip through the story tell me how it ends
She says, that we're probably better off as friends
On and on and yeah

She says, "I don't love you like I loved you before"
She says, she says yeah
She says, "I don't love you, I don't love you anymore"
She says, she says, "I don't love you, I don't love you
I don't love you anymore"

She says, she says, she says, she says, "Where you
going"
I know, I know, I know, I know, I know
She says, she says, she says, she says, "Where you
going"
I know, I know, I know, I know, I know

She says, she says, she says, she says, "Where you
going"
I know, I know, I know, I know, I know
She says, she says, she says, she says, "Where you
going"

I know, I know, I know, I know, I know what I want

You, you called the police, you called them on me
And I want to go anywhere but home
I, I'm done listening to whats wrong with me
'Cause it goes on and on and on and on yeah

She says, "I don't love you like I loved you before"
She says, she says, yeah
She says, "I don't love you I don't love you anymore"
She says, she says, "I don't love like I love you
anymore"
