Walk along these lonely streets with the shoes up on
my feet
Ya, familiar faces appear only when I go to sleep but I
don't go there
And I don't know where, where I am and I'm so scared
Ya, and I want to fall asleep 'cause I know that's where
we'll meet

And I sit and wonder why I'm alone again tonight, let go
there out of sight
Hey Jodi, won't you take me away?
Hey, hey, the clock ticks slowly away as the night falls
on the day
Oh ya, I haven't felt you in weeks, it's like I'm lost in out
of space

And I stay out there and I don't where , where I am and
I'm so scared
Ya, and I want to fall asleep, 'cause I know that's where
we'll meet
But I sit and wonder why I'm alone again tonight, let go
there out of sight
Ya Jodi, won't you take me away?

Oh, hey, hey, Jodi won't you take me away solo?
And I want to fall asleep, ya, 'cause I know that where
we'll meet
But I sit and wonder why I'm alone again tonight, lets
go there out of sight
Jodi, won't you take me away hey, hey Jodi, won't you
take me away?
