My love for you

There are players in all courses

we can play in the midway

you are hot hotter than i ever can be
i loving the way your movin your body
get down get down
with a big ass in the kitchen and just
shaking
like that
bring it up and let me know ya
don't make a joke cause i serious
wanna
know ya
like that

wicked
ahhhh oh oh ohhhhhhhh
every little time i feel someting
inside
me
it is more than i can containted
everyday when you touch me my heart
will
be open
my heart is not for anyone but only for
you
i wanna spend the rest of my life with
you on my side
every little thing that you do i be
amazed by you
your my first girl and I can't forget
that girl
so baby i'm amazed by you
it can be better
we will go on with our lovelife
i wanna say this to you
cause I know the secret of mine heart
it is a bit empty

but with you can fill it in
fill my heart in
fill it in please girl, cause my love for you is real
